

BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE

February 4, 2005

IN RE:

**PETITION FOR APPROVAL OF AMENDMENTS TO
THE INTERCONNECTION AGREEMENT BETWEEN
BELL SOUTH TELECOMMUNICATIONS, INC. AND
NAVIGATOR TELECOMMUNICATIONS, LLC**

**DOCKET NO.
04-00374**

**ORDER APPROVING
FOURTH SET OF AMENDMENTS TO THE INTERCONNECTION AGREEMENT**

This matter came before Chairman Pat Miller, Director Deborah Taylor Tate and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on December 13, 2004, to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the fourth set of amendments to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Navigator Telecommunications, LLC.

The original interconnection agreement between these parties was filed on September 4, 2002, and was assigned Docket No. 02-00954. It was approved at a regularly scheduled Authority Conference on October 7, 2002. The first amendment was filed on May 14, 2003, under Docket No. 03-00336 and was approved at a regularly scheduled Authority Conference on July 7, 2003. The second set of amendments was filed on June 20, 2003, under Docket No. 03-00396 and was approved at a regularly scheduled Authority Conference on August 4, 2003. The third amendment was filed on July 22, 2004, under Docket No. 04-00220 and was approved at a

regularly scheduled Authority Conference on September 13, 2004. The fourth set of amendments, which is the subject of this docket, was filed on October 22, 2004.

Based upon a review of the amendments, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).

2) The amendments are in the public interest as they provide consumers with alternative sources of telecommunications services within BellSouth Telecommunications, Inc.'s service area.

3) The amendments are not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it "discriminates against a telecommunications carrier not a party to the agreement" or if the implementation of the agreement "is not consistent with the public interest, convenience or necessity." Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the amendments are consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) No person or entity has sought to intervene in this docket.

¹ See 47 U.S.C. § 252(e)(2)(B)

6) The amendments are reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104 (2004).

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the fourth set of amendments to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Navigator Telecommunications, LLC is approved and is subject to the review of the Authority as provided herein.

Pat Miller, Chairman

Deborah Taylor Tate, Director

Ron Jones, Director
